## Pupil Premium Action Plan 2025-2028

The targeted and strategic use of pupil premium supports us in achieving our vision of helping everyone to achieve their full potential. We ensure that appropriate provision is made for pupils who belong to disadvantaged or vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed. In making this provision we recognise that not all pupils who receive free school meals will be socially disadvantaged. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals.

<b>Leadership and Management – To ensure that the Leadership, including Governors, make effective plans and decisions to promote good progress for vulnerable pupils using Pupil Premium funding.</b>
